

Estimate Checklist

Lay out the specifics of your project to make sure that everyone is on the same page.

Residential	What We Need
Square Footage	<p>Total space of a wall:</p> <p>$Length \times Width = Sq\ Ft.$</p> <p>Make sure to account for height or depth if needed.</p> <p>Blueprints or drawings can also be submitted.</p>
Current Status Photo & Inspiration Photo	<p>A Pinterest picture, google photo or otherwise can help us to narrow down the look you want.</p> <p>The status photo lets us know what the space looks like and if the space is ready or needs preparation work.</p>
Email Address	<p>All communication should be via email to ensure all details have a record.</p>
Project Address	<p>If your project is outside of our radius, we will still complete your project, but a fee applies.</p>
Target Date of Completion	<p>How soon do you need this done?</p>

If an in-person walkthrough is needed, we are happy to schedule one for you. Let us know at: Office@plastercolorado.com.
